Want to join us?

- We need you!
- Talk to us afterwards!

Election meeting on monday,

May 2nd, 6 p.m., room MI 00.07.014

(normally in German, but we can improvise)
Reports from the Student Presentation in the Departmental Council
Computer Science
Report Departmental Council - Informatics

- Highest committee of the faculty
- Changes to study courses, professorships...
- Two student representatives, right now (Informatics):

Sven Hertle
Vanessa Robl
Informatics - Topics of this year

- New Master Informatics: Data Engineering and Analytics
- Seminars and practical courses
- Voluntary retake of exams cancelled
Informatics - New Master

Master Informatics: Data Engineering and Analytics

- Original idea: shared study course “Big Data” of the faculties Mathematics and Computer Science
- But legally not possible, has to belong to one faculty
- Solution: two study courses with focus either on Informatics or Mathematics
- Planned start: Winter term 2016/2017
Mathematics - New master

A: Required Modules (31 ECTS)

B: Elective Modules (53 ECTS)

B1.1 Data Analysis
B2.1 Data Analytics
B3 Data Engineering
B1.2 Advanced Topics in Data Analysis
B1.2 Special Topics in Data Analytics

C: Support Electives (6 ECTS)
Master thesis
Informatics - Seminars & practical courses

● Planned increase to 5 ECTS
● Forced by the Hochschulreferat Studium und Lehre

● Do you like the Matching System?
Informatics - Voluntary Exam retake

- Since winter term 13/14 for 2 years: Voluntary retake of exams (to improve grade)
  - Einführung in die Rechnerarchitektur
  - Einführung in die Wirtschaftsinformatik
  - Einführung in die theoretische Informatik

- Requirement: Writing exam at first possible moment (study plan) and next possible retake

- Cancelled
Mathematics
Report Departmental Council - Mathematics

- New Master Informatics: Data Engineering and Analytics
Mathematics - New master

studienbeitraege-mathematik@fs.tum.de
Semesterticket (MVG)
Semesterticket - costs for winter term 16/17

Base fee: 65 € (+ 4%)

IsarCard Semester: 189 € (+ 19,9%)

- New vote in this semester
- Participate in the AK Mobilität:
  info@semesterticket-muenchen.de
Poll on Mobility
Poll on mobility

- Improve traffic situation
- Enhance mobility concept
- Fill out your e-mail poll until Tuesday, May 10th
Study Rooms in Garching
Study rooms above the library

For focused, undisturbed studying
Study rooms above the library

- If the room is free, the tablet next to the door will mark it green.
- Indicate on the tablet, how long you want to use the room and the timer will start counting.
- During that time, this time can be prolonged/shortened.
